

INFORMATION AND REQUIRED DOCUMENTS FOR THE QUOTATION OF BATHROOM PODS – STERCHELEGROUP

(Note for the applicant: the accuracy of the quotation is strictly linked to the completeness of this form, which in turn depends on the project development stage.)

1. GENERAL INFORMATION

- ✓ **Reason for the quotation:** Tender / Evaluation / Timing / Budget / Specification inclusion for Bathroom Pods, etc.
- ✓ **Type of project:** Renovation / New Construction
- ✓ **Location**
- ✓ **Project phase** (design – construction site already started – ...)
- ✓ **Project schedule** – (specify when the bathroom pods are needed)

2. DOCUMENTATION REQUIRED FOR QUOTATION DEVELOPMENT

- ✓ **Bathroom Layout / Plan**, with dimensions
- ✓ **Bathroom schedule** with numbering by type
- ✓ **Building floor plans and sections**
- ✓ **Floor slab section** (to define the available space for the construction of the prefabricated bathroom concrete base)
- ✓ **Specifications, if already available**, including intended use, fixture characteristics (e.g., floor-mounted or wall-hung WC), mandatory specifications (yes/no), etc.
- ✓ **Any building certification requirements** (credits for energy saving)

3. FUNCTIONAL AND AESTHETIC REQUIREMENTS

Energy-saving requirements for:

- ✓ Faucets
- ✓ Sanitary fixtures

Aesthetic requirements:

- ✓ Accessories – shower enclosures
- ✓ Furniture – mirrors

4. PERFORMANCE REQUIREMENTS

- ✓ **Acoustic insulation**
- ✓ **Fire resistance**, type of compartmentalization
- ✓ **Access panels, if required**
- ✓ **Plumbing system type**, anti-legionella circuit (*treatment type: thermal shock – chemical*)
- ✓ **Ventilation system type**
- ✓ **Heating system type**
- ✓ **Any internal or external provisions for the bathroom** (e.g., electrical system, plumbing, washing machine, etc.)
